#### **ELECTRONIC DEVELOPMENT AND PERMIT TRACKING SYSTEM (eDAPTS) RESPONSE TO NOVEMBER 21, 2006 BOARD MOTION**

On November 21, 2006, your Board adopted a motion instructing County Counsel, the Chief Information Officer and the Director of Public Works to report back to your Board, by February 22, 2007, regarding the eDAPTS Project, including, without limitation, recommendations for an exit strategy, the status of project deliverables, budget/expenditure information, and options for acquiring a replacement permit tracking system.

This is to advise your Board that a four week extension to March 22, 2007, is required to ensure our response to your motion is complete. This extension will allow us to conclude our discussions with the contractor, Accela, Inc., and include a summary of those discussions in our response to your Board.

Questions regarding this matter may be directed to my office.
